Carlisle Barracks Retiree Bulletin

Military Personnel Services Division, Carlisle Barracks, Carlisle, PA 17013

July 2017

**Retiree Appreciation Day at Carlisle Barracks
is scheduled for Sat, 7 October 2017!**

A Message from your Retirement Council

The 2017 Carlisle Barracks Retiree Appreciation Day (RAD) is just around the corner. The members of the Retiree Council continue to work with the Garrison Commander to develop a Retiree Appreciation Day that meets your needs. We are excited about this year's agenda. Our keynote speaker is Mr. Mark Overberg, Director, Army Retirement Services. In addition to the usual updates from Dunham Health Clinic and the Staff Judge Advocate, we allotted more time for the TRICARE briefings. New to the agenda is a briefing from Army Community Services on volunteer opportunities and the Army Emergency Relief program. Our morning concludes with a special program to recognize all of the Vietnam Era Veterans in attendance. This program is part of the Official Commemoration of the 50th Anniversary of the Vietnam War. It is designed to recognize, thank, and honor all Vietnam veterans of the Armed Services who served between 1 November 1955 to 15 May 1975, and their families. If you are a veteran of this time period, please join us for this program in Bliss Auditorium at 1130. The members of the Carlisle Barracks Retiree Council encourage you to join us for the 2017 Retiree Appreciation Day.

publishes this Retiree Bulletin.**

The Soldier Experience Gallery is a one-of-a-kind exhibit that immerses the VISITORS in the Soldier's experience as a basic training recruit, digital shooting range, parachuting into Normandy as part of the D-Day invasion, experience a night attack during the Korean War, through the current global war on terror. RESEARCHERS can tap into the rich and expansive archives of US military history. Visitors will find help at the Information Desk and refreshments at Cumberland Cafe.

All exhibits at the USAHEC are self-guided and open to the public. Parking and admission is free for the research facility, the museum, and all events.
